TO WHOM IT MAY CONCERN

As owner of the motor yacht White Star, I can highly recommend Robert HICKMAN to everyone who wishes to hire a person of quality to ensure the command of his yacht.

For almost seven years I had the pleasure of working with Robert HICKMAN as captain of the White Star.

Robert has always been very appreciated by the members of my family and my guests, he also always took great care of the safety of all travellers and crew.

The recruitment and management of the crew have always been perfectly controlled during these years. The condition and maintenance of White Star has also always been a priority for him.

During the important refit of White Star which was done over two seasons, I was also able to appreciate Robert's commitment and loyalty.

There are two things I can say about Robert HICKMAN, he is an excellent sea captain and a true gentleman.
